

4 August 2015

Attention: Chris Patterson

To: The Sea Scouts Association of NZ

## **QUOTE FOR SEA SCOUT CUTTERS**

Further to our discussion with Chris Patterson, please find our offer to build the cutters in batches of three at a time.

You will be responsible for mast, sails, rigging, anchors, oars and trailer.

Yachting Developments will provide vessel as described in the specification document and will include all bolted hardware, anchor chain and stowage, under seat buoyancy, centre board and two rudders. The boats will be finished in two tone polyester gel coat on the mould face. The interior will be flow coated and non-skid as required.

The cost for two (2) boats is NZ \$35,000.00 plus GST.

The cost for four (4) boats is NZ \$68,500.00 plus GST.

25% deposit, 50% on completed mouldings and 25% on completion.

The construction time is approximately 12 weeks, per two boats.

Please feel free to contact me should you wish to discuss anything further.

Yours sincerely

**IAN COOK**  
**MANAGING DIRECTOR**
